

## Almond Poppy Glaze (Frosting)

### Ingredients needed:

- ★ Almond Poppy Seed Dip Mix
- ★ 1 cup sour cream
- ★ 8 oz. cream cheese, softened\*
- ★ milk (optional)

*\*Cream cheese may be softened in microwave. Blend cream cheese to avoid any "hot spots" before adding to recipe.*

Mix the **Almond Poppy Seed Dip Mix**, sour cream and cream cheese in a bowl. Thin with milk (optional) to desired consistency. Chill overnight or a minimum of 4 hours. Delicious served as a topping for chocolate cake squares, pound cake slices or angel food cake slices. May also thin and use as a glaze for cakes and muffins.
