

Black Bean & Corn Salsa Basic (Salsa) Recipes

Ingredients needed:

- ★ **Black Bean & Corn Salsa Mix**
- ★ 1 can (14-1/2 oz.) crushed tomatoes
- ★ 1/2 cup water*

Do not mix, store or serve in a metal bowl.

Directions:

Mix all ingredients in a plastic, glass or ceramic bowl. Cover and refrigerate minimum of 4 hours before serving. Maximum flavor after refrigerating 8 hours. Stir before serving. Serve with tortilla chips, vegetables, etc. Keep prepared salsa refrigerated.

Quick Method:

Follow above directions using a microwave-safe container and instead of refrigerating mix, microwave on high for 3 to 5 minutes. Stir, cover container and let set 15 minutes prior to serving.

Black Bean & Corn Salsa Mix - Chunky Style:

Mix together 1 can (14- to 16-oz.) of chopped or diced tomatoes and 1/2 cup of water. Add entire packet of spices. Mix well. Cover and refrigerate minimum of 4 hours before serving. Stir before serving. May also use *Quick Method* with this variation.

Black Bean & Corn Salsa Mix - Thin Style:

Mix together 1 can (15 oz.) of tomato sauce, 1/4 cup of water and entire packet of spices. Mix well. Cover and refrigerate minimum of 4 hours before serving. Stir before serving. May also use *Quick Method* with this variation.
