

Chile Con Queso Basic (Dip) Recipe

Ingredients needed:

- ★ Chile Con Queso Dip Mix
- ★ 2 cups sour cream
- ★ 2 Tablespoons milk*

You may use lowfat or nonfat products with this mix, although results may vary.

**You may omit milk, but finished product will be a heavy cheesepread instead of a dip.*

Directions:

Blend sour cream and milk; add entire packet of mix. Mix well. Chill overnight or minimum of 4 hours. Dip is more flavorful if allowed to chill 24 hours. Stir again before serving. Serve with tortilla chips, corn chips, etc. May also be used as a topping for tacos or burritos. Keep prepared dip refrigerated.
