

Chili Taco Salad

A Meal in Itself

1 packet **Chili Soup Mix**

1 head of lettuce, shredded or chopped

Tortilla Chips, crushed

Cheddar Cheese *or* taco seasoned cheese,
shredded

Sour Cream, (*optional*)

Prepare **Chili Soup Mix** per directions reducing the amount of liquid to suit desired consistency. (Meat is *optional* for this recipe). Layer serving platter with lettuce, crushed tortilla chips and cheese. Repeat again, if serving a large amount of people. Spoon a generous amount (1 or 2 ladles) of the **Chili Soup Mix** over all. Top with sour cream and serve.

(This is excellent for those individuals who do not use a lot of meat in food preparation.)
