

Confetti Cheeseball Cheese Spread

Ingredients needed:

- ★ **Confetti Cheeseball (Cheesespread) Mix**
- ★ 2 cups soft cheddar cheese
(8 oz. soft cheddar cheese = 2 cups)
- ★ 8 oz. cream cheese, softened*

You may use lowfat or nonfat products with this mix although results may vary.

**Cream cheese may be softened in microwave. Blend cream cheese to avoid any "hot spots" before adding to recipe.*

Add packet of spices to 8 oz. softened cream cheese and 8 oz. soft cheddar cheese (i.e., Cracker Barrel® Cheddar Cold Pack Cheese Food or Kaukauna Club Cheese). Mix well. Refrigerate overnight or minimum of 4 hours. Serve with crackers, hearty bread chunks or crisp breadsticks.
