

## Cranberry Orange Basic (Dip) Recipe

### *Ingredients needed:*

- ★ Cranberry Orange Dip Mix
- ★ 8 oz. cream cheese, softened\*
- ★ 1 cup sour cream
- ★ 1/4 cup of water

### *Directions:*

Mix all ingredients; electric mixer works best. Chill at least 4 hours before serving. Stir before serving. Serve with wheat crackers, butter-type crackers, vanilla wafers, apple or pear slices, cinnamon graham crackers or a cinnamon/spice-type cookie. Delicious stuffed into celery pieces or served on toasted bagels or English muffins. Keep prepared dip refrigerated.

### *Variation:*

You may add 8 oz. crushed pineapple to recipe in place of 1/4 cup water.

*You may use lowfat or nonfat products with this mix, although results may vary.*
