

Cranberry Orange Cheeseball

Ingredients needed:

- ★ Cranberry Orange Dip Mix
- ★ 2 pkgs. (8 oz. ea.) cream cheese, softened*
- ★ 1/8 cup hot water

Directions:

Add entire packet to 1/8 cup hot water. Stir with fork to mix. Let set a few minutes. Add 2 pkgs. (8 oz. ea.) cream cheese, softened*. Stir to mix. Chill 2 hours, then mold into shape. If desired, roll in finely chopped nuts, crushed graham crackers or cookie crumbs. Serve with cookies, fruit or bagels.

You may use lowfat or nonfat products with this mix, although results may vary.

**Cream cheese may be softened in microwave. Blend cream cheese to avoid any "hot spots" before adding to recipe.*
