

Fruit Pizza

1 packet **Fruit Dip Mix**

1/4 cup hot water

8 oz. cream cheese, softened

1 tube of refrigerated cookie dough *or* crescent roll dough

fresh cut fruit (apples, grapes, strawberries, bananas, melon, etc.)

On a small pan or small cookie sheet make a crust using refrigerated cookie dough, crescent rolls, or make your own sweet crust of some type. Bake; let cool. Make **Fruit Dip** according to directions. Spread onto cooled crust. Top with cut-up fresh fruit. May also add shredded coconut and chopped nuts. (If you toss fruit with 1 to 2 Tablespoons of an orange marmalade it will help to keep fruit from turning brown, or use some type of fruit protector, i.e., Fruit Fresh[®].)
