

Summer Freezer Slaw

Pack and fill 1-gallon container with shredded cabbage and carrots. Use **IceBox Pickle Mix** mixing directions. Pour mixed pickling solution over cabbage and carrots.

Refrigerate for 5 days.
Shake occasionally.

Divide "slaw" mixture into freezer-type Ziploc® bags or freezer containers.

Store in freezer for up to 12 months.

Thaw and serve. Delicious as a side dish with hamburgers and hot dogs.

Great for picnics.
