

Hot “Tailgate” Punch

- 1 packet **Mulling Brew Mix**
- 2 pc. **Cinnamon Sticks** from packet
- 1 gallon cider
- 1 can (6 oz.) frozen orange juice concentrate (do not add water)
- 1/3 cup brown sugar

Place cider, frozen orange juice concentrate and brown sugar into a slow cooker. Add pouch of **Mulling Brew Mix** and 2 **Cinnamon Sticks**. Place lid on slow cooker, set on high and simmer 1 to 2 hours. Stir occasionally. Reduce to low heat and remove lid. Drink and Enjoy!

Serve in the slow cooker or in a cleaned-out pumpkin. Pumpkin keeps the punch warm but does not change the flavor. Also may use a thermos to transport and serve from. Serves 8.

Cider may be chilled after simmering and served cold.
