

French Bread Pizza

1 packet **Pizza Dip Mix**

1-1/2 cups sour cream

1/2 cup mayonnaise

(Do not use salad dressing such as Miracle Whip[®], use real mayonnaise.)

1 loaf French or Italian bread

1-1/2 cups shredded cheddar/mozzarella cheese

Preheat oven to 350°. Prepare **Pizza Dip Mix** according to directions on tag. Take a loaf of French or Italian bread, cut lengthwise and spread open. Coat inside of bread with a thick layer of **Pizza Dip** mixture and then sprinkle cheese on top. Place in oven until cheese on top melts, approximately 5 to 7 minutes. Cut into slices for a hot, pizza appetizer.
