

Strawberries & Cream Basic (Dip) Recipe

Ingredients needed:

- ★ **Strawberries & Cream Dip Mix**
- ★ 1 cup sour cream
- ★ 8 oz. cream cheese, softened*

You may use lowfat or nonfat products with this mix, although results may vary.

**Cream cheese may be softened in microwave. Blend cream cheese to avoid any "hot spots" before adding to recipe.*

Directions:

Blend sour cream and cream cheese. Add entire packet of mix. Mix well; an electric mixer works best. Chill overnight or a minimum of 4 hours. Stir before serving. Serve with any type of fruit, vanilla-type cookies, chocolate animal crackers or chocolate cookies. Keep prepared dip refrigerated.
