

# Strawberries & Cream Cake

## Topping:

- 1 packet **Strawberries & Cream Dip Mix**
- 8 oz. pkg. cream cheese, softened
- 1 cup sour cream
- 8 oz. container Cool Whip® frozen whipped topping

## Cake:

- 1 pkg. (18-1/4 oz.) white cake mix, prepared and baked to pkg. directions
- 1 pkg. (3 oz.) Jell-O® strawberry gelatin
- 1 cup boiling water
- 1/2 cup cold water

## Directions:

Mix **Strawberries & Cream Dip Mix** with softened cream cheese and sour cream until well blended. Fold in frozen topping and place in refrigerator to chill. Prepare cake as directed on package and bake in a 13x9-inch cake pan. Allow baked cake to cool for 15 minutes. Poke cake with fork every 1/2 to 1". Dissolve strawberry gelatin in boiling water, mix, add cold water and mix again. Slowly spoon gelatin mixture over cake so the mixture soaks into the holes. Spread Strawberries & Cream topping mixture over entire top of cake. Chill 3 to 4 hours. Garnish with strawberry slices and serve.
