

# Sunny Orange Parfaits

## Ingredients needed:

- ★ Tropical Orange Dip Mix
- ★ 8 oz. cream cheese, softened\*
- ★ 1/2 cup sour cream
- ★ 8 oz. whipped topping (Cool Whip®)
- ★ 1 can (8 oz.) crushed pineapple (well drained)
- ★ 1 box vanilla wafer cookies

*You may use lowfat or nonfat products with this mix, although results may vary.*

*\*Cream cheese may be softened in microwave. Blend cream cheese to avoid any "hot spots" before adding to recipe.*

## Directions:

Place entire packet of mix into medium-size bowl. Add cream cheese and sour cream. Mix well; use electric mixer for best results. Whip for approximately 2 minutes. Fold in whipped topping (Cool Whip®). Chill minimum of 4 hours. Once chilled. In a large Ziploc® bag place approximately 24 vanilla wafer cookies; crush with a rolling pin or heavy object. Place 1/8 cup crushed cookies into the bottom of each parfait glass (this recipe will make 8 parfaits). Fill each parfait glass halfway with **Tropical Orange Dip** mixture. Next layer 1/8 cup pineapple tidbits, **well drained**. Repeat layer of crushed cookies and **Tropical Orange Dip** mixture. Garnish each parfait with small amount of cookie crumbs. Chill before serving.
