

Walnut Raisin Basic (Dip) Recipe

Ingredients needed:

- ★ Walnut & Raisin Dip Mix
- ★ 1 cup sour cream
- ★ 8 oz. cream cheese, softened*

You may use lowfat or nonfat products with this mix, although results may vary.

**Cream cheese may be softened in microwave. Blend cream cheese to avoid any "hot spots" before adding to recipe.*

Directions:

Blend sour cream, cream cheese and packet of mix. Mix well; electric mixer on low speed works best. Chill at least 4 hours before serving. Serve with wheat crackers, butter-type crackers, apple or pear slices, cinnamon graham crackers, cinnamon/spice- type cookie, or carrot sticks. Stir before serving. Delicious stuffed into celery pieces, or served on toasted bagels or English muffins. You may substitute 2 cups of plain or vanilla yogurt for the sour cream and cream cheese with this mix. Keep prepared dip refrigerated.
